**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are consumers and we strongly support broadband competition. With our experience going back to the days of government imposed communication monopolies, we know the high cost of limiting or eliminating competition in the marketplace.

Please don't prevent companies like Sonic from connecting us to the benefits of high speed fiber optic networks! (By removing their ability to use existing copper wires)

We've used DSL before and can understand the negative impacts to us and others of returning to an inferior, slower and more costly system.

Thanks for listening.
